

Domestic energy storage tender price in Guernsey 2025

What is the maximum resale price for electricity in Guernsey?

Guernsey Electricity Limited, in accordance with section 23 (2) (b) of the Electricity (Guernsey) Law 2001, hereby gives notice that the maximum resale price at which electricity can be resold by persons to whom it is supplied is *25 pence per unit. What Is A Tariff? Put simply, a tariff calculates your bill.

Why did Guernsey increase electricity prices?

The decision comes after Guernsey Electricity (GEL) applied to the government for an increase of 9.5% because its long-term fixed-price agreements for the import of electricity are due to end. The STSB said the quarterly standing charges for households would rise from £68.25 to £86.75, the equivalent of about 95p per day.

How does Guernsey Electricity work?

To help keep the lights on, our homes warm and the Wi-Fi running, Guernsey Electricity collects tariffs from every customer on our electricity network. Put simply, a tariff is the price used to calculate your electricity bill.

Does Guernsey Electricity charge a monthly charge?

Where Guernsey Electricity is required to provide a standby electricity service for 'behind the meter' non-renewable energy installations (including CHP) with generation capacity in excess of 25kW, a monthly charge will be applied. For every kW of installed capacity, we charge the standby rate'

Does Guernsey have a heat pump tariff?

There is also a dedicated Heat Pump Tariff. Guernsey Electricity reserves the right to interrupt a supply to dedicated heating tariff meters, in the unlikely event of severe network conditions for up to 30 minutes in a 24-hour period, with a maximum number of interruptions being four times per calendar year.

Why are Guernsey's prices so high in 2024?

Previously, we had locked in lower prices ahead of time, which protected islanders from the significant tariff increases seen in recent years across the UK. As these agreements end, we have faced higher costs than the fixed prices we've paid in the past. Inflation- Guernsey's inflation rate remained high in 2024.
