

Expected ROI of residential ESS project in Turkey 2025

How will Istanbul's real estate market perform in 2025?

Prediction for 2025: While economic uncertainties persist globally, Istanbul's real estate market is expected to remain resilient. As inflation stabilizes and the Turkish lira strengthens, foreign investors may continue to benefit from relatively affordable property prices compared to other European markets.

What are the trends in Istanbul's property market?

One of the most notable trends in Istanbul's property market has been the increase in foreign buyers, particularly those interested in Turkey's Citizenship by Investment (CBI) program.

Where can investors invest in Istanbul's real estate market?

Investors may find opportunities in prime commercial areas such as Atasehir and Kagithane, where office developments are catering to the needs of the new workforce. Istanbul's real estate market offers a wealth of opportunities for savvy investors.

How will the demand for residential properties increase in Turkey?

Due to a growing population and increased interest from foreign investors, the demand for residential properties is expected to rise. Key urban areas like Istanbul, Ankara, and Antalya will likely experience the most growth, driven by continued investment in infrastructure and foreign interest.

Why are Turkish house prices rising in 2025?

As of 2025, house prices have continued upward trend due to increased demand from local and international buyers. According to recent data from the Turkish Statistical Institute and the Central Bank, sales volumes have been substantial, with certain months, such as March and September, showing peak activity.

What is the commercial property market like in Turkey?

The commercial property market in Turkey is also robust, with opportunities to invest in office buildings, shopping centers, and other commercial projects. The country's growing tourism industry presents additional investment prospects, particularly in hotels, resorts, and other tourism-related developments.
