

Government procurement price of school solar storage in Peru

Which court oversees judicial review of a contract in Peru?

The Peruvian Public Procurement Court oversees the appeals review if the contract value is more than USD 60,000 (approx.). The Peruvian Administrative Court oversees the judicial review of the administrative decisions issued by the Peruvian Public Procurement Court. Arbitration tribunals deal with controversies arising from the contract execution.

Where can I find public procurement procedure information?

All public procurement procedure information is accessible online through SEACE, which is the Peruvian electronic procurement platform. Contrary to what happens in other jurisdictions, contracting authorities only use this platform to publish procurement procedure information. 2.

Can a contract be challenged in Peru?

Any decisions issued by the Peruvian Public Procurement Court may be challenged by judicial action before the Peruvian Administrative Courts. The decisions taken when executing the contract can only be challenged in an arbitration procedure. 5. What are the time limits for appeals? Are further appeals precluded after these limits expire?
