Are Guernsey's infrastructure projects 'essential' and 'must continue'?

Guernsey's top political committee says all approved infrastructure projects are "essential" and "must continue", despite the States of Guernsey being short of £62m to pay for them. Funding currently available for those projects is £357m while the expected cost is £419m.

What will future Guernsey do?

Future Guernsey has announced several of the key policies which headline the political movement's manifesto, including improved Government efficiency, a zero/fifteen corporate tax rate and support for an offshore wind farm.

Is Guernsey at a crossroads?

"In our talks with the community, including with business groups, they have been clear that Guernsey is at a crossroads. Last year, the States approved a partially funded budget. Without action, our reserves will run out in just seven years.

In doing so, they also rejected options being pushed by Economic Development for a lower level. The young person's rate, for those aged 16 and 17, will also be set at £10.80 ...
